Table 1: End of Life Milestones

Milestone	Definition	Date
End of Life (EOL) Notification Date	The date the document that announces the last time buy and end of life of a product is distributed to the general public.	November 3, 2020
Last Time Buy (LTB)* Date	The last date to order the product through an Aegex point-of-sale mechanism. The product is no longer for sale after this time.	December 15, 2020
Last Ship Date	The last possible ship date that can be requested of Aegex. Actual ship date is dependent on lead time.	December 31, 2020

*Manufacture Discontinue and Last Time Buy Definition: as part of Aegex’s EOL notification procedure, this notice serves as a formal communication of Aegex’s intent to perform a Manufacture Discontinue (MD) of the products listed in Table 2 and propose a Last Time Buy (LTB) date for each product. For the time between LTB, MD, and EOL, emergency recovery and/or upgrades may be performed in accordance with customer specific service plans or upgrade agreements, as negotiated prior to LTB.

** End of Service Definition: This notice serves as formal communication of Aegex’s intent to end the life of the products listed in Table 2. No further support will be provided once the End of Service (EOS) timeline is reached, except for those customers with valid warranty or contract extensions. Aegex will maintain spares and support capability throughout the life of all contracts currently in place. As of the EOL date, any new support contracts will only be issued through the EOS date. Emergency recovery and/or upgrades may be performed in accordance with customer specific service plans or upgrade agreements as negotiated prior to EOL.
